What a great remodel! This home has been remodeled from the wall studs out. The sub-flooring has been replaced along with new laminate flooring in the living room, kitchen, dining room and hall. All three bedrooms are carpeted and the two baths have ceramic tile. The kitchen has new cabinets and new counter tops. The living room has a wood burning free standing fireplace to keep you warm during our cold winter nights. The family room or "Man Cave" is suited for family movie night or watching the game with the guys. Leading out the French doors from the living room is a fenced back yard with a large patio for all your family cook outs and activities. This home is 1720 sq. ft. of beautiful living space. There's a 20 x 40 shop for additional storage or to keep all your gardening tools and mower. For the grand tour call or click Steve Watson 580-230-0056 or stevewatson@eaglerealtyok.com
