Blue River Here I Come!

This 10 acres & 3 bed, 2 bath mobile home has so much and is only 1 1/2 miles from the Blue River!

Remodeled in the last year, this 2009 Clayton home has new windows, doors & laminated flooring in the living room and kitchen. The kitchen appliances are less than 1 year old. The kitchen also has a wonderful pantry.

Lots of windows to look out at the awesome views. The big, covered front porch is great for sitting out in the evenings or mornings enjoying coffee.

The 10 x 20 deck on the back is a wonderful area and has a tiki bar! The bar has electric, water, sink & small fridge. There is even an above-ground pool! Perfect for BBQ's with all your family and friends.

This is the place for full-time-living, or your weekend hunting/fishing get-away! It has so much to offer and the location can't be beat! Shown by appointment only, call Pam to schedule your private tour!
