401 W Main Street, Coleman
4 Bed, 2 Baths
Built in 2012

\$65,000

2011 Manufactured home on corner lots with lots of extras. Best of all is an affordable price!

This 4 bed, 2 bath also has 2 living areas and 1824 square feet. Open concept living has everything for a growing family. The living room is large with new blinds throughout the home too.

today! The split floor plan has 3 bedrooms & bath on one end and the master suite on the other.

All the appliances stay plus there are built in bookcases on each end of the kitchen island.

The master bedroom has an office/sitting area and the master bath has a separate shower and large tub. There are also his & her walk-in closets

The den is off the kitchen so it's great for entertaining. Numerous walk-in closets and the house is total electric too!

Outside are gardens everywhere, a shop with electric & air, a chicken coop that stays, 2 car carport & several other outbuildings for lots of storage. There is a cellar across from the Coleman Schools, so it's in a great location!
