The exterior of this home is gray stone and is in one of the prettiest areas of Tishomingo. Unbelievable storage throughout this huge home!

Built in 1993, this home has 4 bedrooms, 3.5 baths, an office, den and lots of built-in bookcases. There is a wood insert fireplace with beautiful cathedral ceiling in the living room. The living room is so huge the owners use one area for a formal dining area! The office is off the kitchen and has a sink and closet so it would make a great guest room, exercise room or a 5<sup>th</sup> bedroom. There is also a ½ bath for guests in the front entry.

The den opens to the kitchen so when everyone is watching the game, the cooks can be part of the fun! The kitchen has several large pantries, and an enormous amount of cabinets. The large island is a great work space and seating too. Even with all that, you still have room for a kitchen table! Another plus is there are several doors to the back porch so it makes it The master bedroom is absolutely enormous! It features 2 walk-in closets and a large walk-in shower plus tub area.

In addition, an above-ground pool stays and the back yard has a privacy fence. Lots of room outside for a garden and the kids to roam. Out the front window, you get an extra bonus of the neighbor's beautiful large pond.

Close to Pennington Creek and the Golf Course is a golf cart ride away! Lots MORE!
