\$15,000

**Large Residential
Lot in Stallings Addition
Tishomingo, Oklahoma**

This is a GREAT lot.

Very large and in a great neighborhood with well-kept, pretty homes.

See the plat shown on our website for the dimensions. Lot is level and is waiting for a new home.

As large as it is, it would also be a great lot for duplexes to have income potential.

Give Pam a call for more information.
